Zoetis Travel Grant

The Belgian Society for Parasitology and Protistology (BSPP) invites PhD students to submit an application for the **Zoetis Travel Grant** (500 €). Any registered and active BSPP member at PhD student level can apply provided that he or she has an abstract accepted by the conference subject to the travel grant.

The application should consist of:

- 1) The accepted abstract (if the abstract was submitted for poster presentation, please indicate whether the abstract was submitted as such).
- 2) A brief CV of the applicant
- 3) A brief motivation letter by the applicant of 300-500 words stating how the presented data relate to the PhD research and why this particular conference was chosen to present the results.
- 4) A statement by the promoter to confirm support to the application and the provision of additional sponsoring if this grant would not cover all related expenses.

The applications should be submitted to the BSPP secretary (info@bspp.be) before 15 February 2019. The competitive selection will be done by the committee members, and the grantee will be announced at the BSP-BSPP-NVP joint spring meeting in Manchester.

On return, the grantee will be asked to prepare a 300-500 word 'congress' report, which will be published on the BSPP website.
